## NAVY EXPEDITIONARY WARFIGHTING DEVELOPMENT CENTER

*"Si vis pacem, para bellum" If you  
want peace, prepare for war.*

## *Sailors Creed*

*I am a United States Sailor.*

*I will support and defend the Constitution of the United States of America and I will obey the orders of those appointed over me.*

*I represent the fighting spirit of the Navy and those who have gone before me to defend freedom and democracy around the world.*

*I proudly serve my country's Navy combat team with Honor, Courage and Commitment.*

*I am committed to excellence and the fair treatment of all.*

## *Command Philosophy*

*Do the right thing:* *It's been said that character is what you do when no one is looking. We are forthright. We work out our issues in the light of day. We are custodians of this nation's treasure as well as her security. We don't cut corners, and we don't choose the easy wrong over the hard right. We have all been informed on the limits of acceptable behavior. We stay within them, and redirect Shipmates before they go astray. Remember, "Not on my watch, not on my ship, not in my Navy."*

*D.D. Clement Capt, USN  
NEXWDC Commander*

## *Command Philosophy*

*Complete the Mission:* *Navy Sailors come from a long history and heritage of mission accomplishment in arduous circumstances; the crew of BONHOMME RICHARD defeating SERAPIS as their own ship sank under them, TAFFY 3 at Leyte Gulf, and more recently LCDR Mike Murphy in Kunar province. Their situations were extreme, but are illustrative. Every mission carries its challenges, and while ours may not reach the level of these heroes, it does require knowledge, flexibility, professionalism, and sometimes salesmanship. Stay current, hone the saw, and find a way to get it done. We are responsible for the success of the next generation - overtime is authorized.*

*Take Care of Each Other:* *We are a unit, a team, and a family. We are Shipmates, not co-workers, and our responsibility to each other does not end at the front door. We support each other's efforts at home and in the field. We lean forward. We reach out to one another when a Shipmate needs a hand. We are all critical elements of the whole, and understand that no one gets left behind.*
